## CORYDON CAPITAL CAMPAIGN PLEDGE FORM

Thank you for your generosity in supporting The Mustard Seed Thrift On Mission as we work to build our new Corydon store! Your pledge helps us reach our goal of raising \$500,000 for construction costs by December 31, 2025, allowing us to expand our mission of funding healing for survivors of childhood sexual abuse. **We are committed to full transparency. If we receive more donations than the actual cost of construction, any remaining funds will be used to pay down principal of the mortgage on the building and nothing else extra. In order to clarify donor agreement, we have created this pledge form for all donors to submit with their check donations. Your trust is important to us, and we are dedicated to stewarding every donation with integrity.**
